

**Daytime Services** are offered during daytime hours. These services (respite) are designed to give relief to the primary caregiver. Daytime respite services are provided based upon an hourly fee. The basic fee includes all meals and snacks. .

During the respite stay, guests engage in the regular activities along with other daytime respite guests and the residents of Bayshore Manor. Examples of these activities include word games, arts and crafts, exercise programs, reminiscing activities and elder sports activities among others.

In addition, several special activities are routinely scheduled through partnership with outside agencies or persons. An example of these is the Kritter Patrol pet visitation program, the Sing-A-Long with Banjo Bob and friends and the toddler visits through the Early Intervention Program at Easter Seals.

*If you are caring for an elder who cannot be left unattended, we invite you and your elder to come out, see our facility and meet our staff, our residents and other day guests.*

**If transportation is needed, it can be arranged to and from Bayshore Manor through Monroe County Transportation Services. Rides can be scheduled by phoning (305) 292-4424.**

**Residential Services** - Bayshore Manor is licensed by the State of Florida for sixteen (16) beds for assisted living. These residential services are structured for the elder who is unable to live independently but does not require twenty-four hour nursing care. Bayshore Manor offers many services:

- Three meals plus a bedtime snack daily. The meal plan is developed by a Florida Registered Dietitian to supply a complete, well-balanced diet for seniors. In addition, many special occasion dinners are planned

through local restaurants, clubs & organizations.

- Laundry service is provided for all resident clothing and linens.
- Assistance with medications - All medications are stored in a locked cart. Medications for each resident are prepared, labeled and packaged by a pharmacist. Residents are assisted with and reminded to take their medications.
- Assistance with medical appointments - The family is always encouraged to accompany residents to appointments, however, if this is not possible, staff will assist the resident with securing transportation and/or accompany the resident as the situation merits.
- Assistance with personal care - Each resident is assisted with personal care according to need. All personal care items, such as toothpaste, toothbrush, body soap and lotion and shampoo are provided. There are six showers, two of which are handicapped accessible and equipped with shower chairs.

**Short Term Residential Services** are available for persons needing a temporary residential setting. These services are designed to give caregivers relief (respite).

Short term residential services can be provided for a time period not to exceed thirty (30) days. Persons staying short-term receive the same services as the long term residents.. There are no extra charges.
